

# CHOOSING AN RV

Do you want to tow your RV, drive it, or park at one site for the season?

I'VE GOT LAND, I'M PARKING IT!

TOW, I LIKE THE CONVENIENCE OF PARKING MY RV AND HAVING A VEHICLE TO EXPLORE WITH

DRIVE! ALL-IN-ONE FOR ME

**PARK MODEL**

A Park Model trailer provides all the comforts of home, but with the flexibility of occasional relocation. They are designed for long-term or permanent placement at your destination.

**COST: \$45,000-100,000**

What is your tow vehicle?

Let's talk size: Do you dream of cozy, minimalist quarters?

CAR

TRUCK OR SUV THAT CAN TOW A LOAD

YES, THAT'S ME! COMPACT & COZY

NO, I'D LIKE ALL THE ELBOW ROOM AVAILABLE

Do you need room for the whole family, or just a cozy sleeping space?

Do you want to take your RV off-road?

Are you traveling with more than two people?

Do you want every comfort of home, no matter the cost?

ROOM FOR THE FAMILY

CONVENIENCE IN A TINY PACKAGE

YES

NO

NOPE, JUST A COZY HOME FOR TWO

YES, MORE THAN TWO!

NO, BUT I DO LIKE COMFORT!

**TENT TRAILER OR HARD-SIDE POP-UP**

These trailers are great for the occasional campers, and offer a comfortable sleeping space. They are lightweight and can be towed with smaller vehicles.

**COST: \$10,000-25,000**

Are you bringing your ATVs and jet skis?

**CLASS B MOTORHOME OR CAMPER VAN**

These small RVs offer comfortable sleeping quarters and all of the necessities of a home on the road. They are a great choice for one or two people.

**COST: \$60,000-150,000**

YES, GIVE ME ALL THE LUXURY!

**TEARDROP TRAILER**

The tiniest of trailers, these teardrop-shaped trailers are compact and lightweight. They usually have sleeping area for two adults and a small kitchen accessible from the rear.

**COST: \$10,000-40,000**

YES! I NEED ROOM FOR ALL MY TOYS

NOPE!

**TRAILER OR FIFTH WHEEL**

Trailers come in a range of sizes, and price-points. Offering all the comforts of home, you will find models as luxurious or compact as you need. A trailer also means the convenience of a detachable vehicle exploring the area once parked.

**COST: \$20,000-160,000**

**CLASS C MOTORHOME**

These mid-sized RVs are a great choice for families with children. They may not have as many added luxuries as a class A, but they offer a comfortable living space at a lower cost.

**COST: \$60,000-200,000**

Do you want to invest in a tow vehicle?

YES, MAYBE I SHOULD!

NO

**TRUCK CAMPER**

A truck camper is carried in the bed of a pickup truck. This enables you to explore off-road and reach less accessible camping sites.

**COST: \$15,000-55,000**

**TOY HAULER**

A great combination of a travel trailer and sport utility trailer. The rear compartment is used for storing sports vehicles with comfortable living space at the front.

**COST: \$20,000-160,000**

**CLASS A MOTORHOME**

The largest and most expensive motorhomes, they are a top choice for frequent or full time travelers. They allow you to take all the comforts of home on the road!

**COST: \$70,000-500,000**
